## ART BASEL: HIGHLIGHTS

Last week, the art world descended upon **Art Basel**, Switzerland - arguably *the* must-see event on the contemporary art calendar - to view 4,000 artist works exhibited by over 300 international galleries. The prestigious fair may have wrapped up for another year now, but Whitewall contributor Lucy Li was on the ground all week; and for those of you who weren't lucky enough to attend, here are some of the highlights from this year's program.
